

## NEW KWIK KOMBOS & TRIXI TRIAL PACK

As elite breeders, Selecta One and Syngenta Flowers continue to improve their multi-liner "kits" with more closely matched vigor, habit and timing. The Trial Pack represents improved existing mixes, along with all new blends. For all applications, the ease of creating, planting, and finishing perfect combinations continues to evolve as the well-balanced mixes make a grower's life easier.

This Trial Pack contains 3 new Selecta Trixi mixes and 2 new Syngenta Kwik Kombos in cool new combinations that are easy to grow and exciting to sell.
